LOCAL INTELLIGENCE.

THE GLOBE COMPANY.—The Globe Silver Mining Company, whose mining property is located at Monitor in this county, held its annual meeting at the office of the Company, 36 John street, New York City, January 3d. The stockholders elected seven Trustees, to serve for the ensuing year, as follows: Frank S. Winchester, William Larder, William T. Salter, Henry A. Bartholomew, Samuel A. Wood, William Mercer, of Monitor, and Daniel Norcross, of San Francisco. The newly elected Board of Trustees organized by re-electing Frank S. Winchester, President, Henry A. Bartholomew, Treasurer, and J. Brewster Roe, Secretary.

HEAVY STORM.—The storm of the season set in from the southeast about noon on Tuesday last, at which time it commenced snowing, and continued till 7 o'clock this morning—a period of 91 hours—leaving on our streets about 36 inches of snow of a very light quality. This afternoon the sun came out quite warm and settled the snow very perceptibly.

NEW COMPANY.—Articles of incorporation of the Onward Gold and Silver Mining Company, to mine in Alpine county, have been filed in San Francisco. The capital is \$10,000,000, with the following Trustees: N. B. Molindy, E. F. Russell, F. M. Farwell, J. N. Chipman and William McMaster.

THE MAILS.—As was to be expected the late storm has demoralized mail arrangements for the time being. The mail due last evening came in on horseback at three o'clock this afternoon. It is quite probable that the stage sleigh will come in on time on Monday next.

THE BLUE LAKES.—The Blue Lakes of this county, now so prominent as one of the sources from which San Francisco and the intervening country may obtain an adequate supply of the purest of water, are now owned by Alvina Hayward.

CRASSO.—The late heavy fall of snow has caused a cessation of most outdoor work. The Excelsior teams have been taken off from hauling ore and sent into Winter quarters.

SPORTING.—The snow fall has been sufficient to enable our people to enjoy snowshoeing to an unlimited extent. It is the favorite means of locomotion.

A plan to build a prismoidal railway track from a point on Market street, San Francisco, to Golden Gate Park and the Ocean Beach, is being considered.

Nevada county is in debt \$6,000 68, but as soon as the delinquent taxes are paid it will be entirely out of debt. A fortunate county—one in ten thousand.

The Rev. J. H. C. Bouie, of Sacramento, is the gentleman that calculated on the last day of December that there would be no rain till January 15th, and that then it would come—and come, it did. He should be appointed Clerk of the Weather.

A United States mail bag, which was stolen somewhere between Philadelphia and Boston, containing drafts and checks to the amount of \$44,000, has been found in an express office at Montreal by the agent, and has been forwarded to New York.

The World's Washington correspondent says: There is no probability that the National Democratic Committee will act on the proposed plan for a National Convention to be held in Washington on the 14th of February.

The Illinois Legislature has not yet elected a U. S. Senator. Logan is in the lead.

The late storm seems to have been general throughout the State, which will insure a general good crop.

M. Marx Outrey has been appointed Minister of France to the United States.

New Twenty—The S. F. Call says: The new design which have been received from Washington by the Mint authorities in this city are different in some respects from those heretofore used in producing double eagles, and unless the facts were known the issues of 1877 would cause considerable trouble among brokers and others employed in handling coin and looking out for counterfeits. In the new dies the head of Liberty, which in the old ones was leaning to the right, is now perpendicular. The outlines of the face and the hair are brought out more prominently, giving to the coin the appearance of being larger. On the reverse side three important changes have been made. On the old issues there were the words at the bottom "TWENTY D." but now the denomination is expressed plainly, "TWENTY DOLLARS." In the scroll underneath the coat of arms, the words, "E PLURIBUS UNUM," are engraved much larger; they could only be made out with difficulty on the old one, but can easily be read now. Above the coat of arms the upper row of stars is thrown up in the halo and the oval disposition of the stars widened. The engraving is much better than in the old issues and the whole coin looks more handsome and attractive to the eye. There is no difference in the weight, fineness or size of the coin. The Mint will commence coining the new double eagles this morning.

Mr. Westerfield, of Lyon county, has introduced in the Senate of Nevada a bill to provide for the adequate punishment of railroad wreckers. The bill makes it a felony, punishable by imprisonment of not less than five nor more than ten years, to even attempt the wrecking of a train. Should an accident occur and injuries be sustained by any person, the offender is to be held guilty of "assault with intent to commit murder." Should death ensue, he is deemed guilty of murder.

A dispatch from Colonel Miles states that on the 18th of December three companies of the Fifth Infantry, under Lieutenant Baldwin, struck Sitting Bull's camp, on the Red Water, and defeated him, with the loss of all the property in the camp and sixty mules and ponies. The Indians escaped with little besides what they had on their persons.

A new sect called "The Purifiers" has arisen in Russia. Their leading doctrines are said to be that all must marry on becoming of age, but that the husband must be subordinate to the wife, and recognize her as head of the family. Also, that once a week he must confess his sins to his wife. They adhere to the Greek Church. Such a sect would not number very great in the United States. Just imagine the average San Franciscan on his marrow-bones confessing his weekly sins to his wife!

On Monday last the Western and Eastern States were visited by another very heavy snow storm, the snow being from one to three feet deep, impeding all lines of travel.

Theodore Winters, of Yolo county, has entered his celebrated filly, Molly McCarthy, and also his colt Ralston, for the Louisville, Kentucky, races, to come off next May.

Arkansas has elected Garland United States Senator.

A Card to the Public

For many years we have made two medicines suited to the ailments of a vast class of sufferers. Thousands of cures have been made by them, and, in fact, the word failure could not be coupled with them. But within the last two years counterfeiters of our medicines have sprung up, dangerous in their close imitation of our Trade Mark. To secure the people we have placed upon each genuine box of Holloway's Ointment the fac simile of the signature of our agent, Mr. Jos. Haydock. To counterfeit is felony. We shall relentlessly pursue any one who imitates this with the utmost vigor of the law. We most earnestly beg that the great mass of the American people will aid us in our efforts to protect their health, and help us in our task of bringing these most unprincipled men to the bar of justice. Uniformly refuse to purchase medicines purporting to be ours unless Mr. Jos. Haydock's signature is attached to each box of Pills or pot of Ointment and the end will soon be reached.

The public's obedient servants,
HOLLOWAY & CO.

HOLLOWAY'S PILLS.—In all crowded cities, Malaria and fevers are breathed over and over again, till the strongest lungs are incapable of producing pure blood, hence the sluggishness of mind and body, the weariness and irritability of many persons during this season of the year. These medicines neutralize these impurities and give vigor to the head, heart and stomach. 25 cents per box or pot.

MEDICAL.

YOUNG MEN

Who may be suffering from the effects of
youthful follies or indiscretions, will do well
to avail themselves of this, the greatest boon
ever laid at the altar of suffering humanity.
DR. SPINNEY will guarantee to furnish relief
for every case of seminal weakness, or pri-
vate disease of any kind or character which
he undertakes and fails to cure. He would,
therefore, say to the unfortunate sufferer who
may read this notice, that you are treading
on dangerous ground when you longer delay
in seeking the proper remedy for your com-
plaint. You may be in the first stage; re-
member you are approaching the last. If
you are bordering on the last, and are suffer-
ing some of all the ill effects, remember
that if you persist in procrastination, the
time must come when the most skillful phy-
sician can render no assistance; when the
door of hope will be closed against you; when
no angel of mercy can bring you relief. In
no case has the Doctor failed of success.
Then let not despair work upon your imagina-
tion, but avail yourself of the beneficial re-
sults of his treatment before your case is be-
yond medical skill, or before grim death hur-
ries you to a premature grave. Full course
of treatment, \$35 00. Send money by Post
Office order or Express with full description
of case. Or, if, of Address,

CENTENNIAL

AWARD.

GRAND TRIUMPH FOR

WEBER

Pianos!

First Premium over all
American and Foreign
Manufacturers.

Copy of a Telegram received by
Sherman & Hyde:

New York, Sept. 29th, 1876.—Re-
ceived the highest award for sym-
phonic, pure, and rich tone, combined
with greatest power, as shown in the
three styles—Grand, Square, and Up-
right Pianos—which show intelligence
and solidity in their construction, a
pliant and easy touch, which at the
same time answers promptly to the
requirements, together with excellence
of workmanship.

A. WEBER.

Never before in the history of piano forte
manufacture has an instrument risen so rapid-
ly in popular favor.

Its intrinsic merit and decided superiority
over all others has caused every musician and
artist of note to adopt and recommend it.

Nilsson says, "I shall take every opportu-
nity to recommend and praise your instruments."

Miss Kellogg says, "Your Pianos are my
choice for the concert room and my own home."

Lucas says, "Your uprights are extraordi-
nary instruments, and deserve their great popu-
larity."

Patti says, "I have used the Pianos of every
celebrated maker, but give yours the prefer-
ence over all."

Strauss says, "Your Pianos astonish me. I
have never seen any Pianos which equal yours."

Wehl says, "Madame Parpa called your
Pianos the finest in the United States. I fully
endorse that opinion. They have no rivals."
